

Sintra is a lightweight yet rigid board of moderately expanded closed-cell polyvinyl chloride (PVC) extruded in a homogenous sheet with a low gloss matte finish.

Why Choose Sintra?

- > The trusted brand leader by which all others are measured
- > Lightweight yet rigid and durable
- > Easily formed into just about any shape imaginable using wood and foam board fabrication techniques
- > Heat formable and chemical resistant
- > Superior dent and scratch resistance
- > Custom colors and special cuts available
